A PACIFIC WAVE.—There was no case on the docket of the Police Court for trial this morning. The officers reported the city unusually quiet last night. The squad on duty in the northeastern section Thursday night say the tranquility of that neighborhood was especially noticeable. At eleven o'clock they looked in each room for fire and found a house and saloon and other public houses and apart from the proprietors a soul could be seen. Those whose business carried them to all sections of the city observed nothing outside the ordinary today. It is hoped the calm may not be the prelude of anything startling in the line of disorder.

THE MARKET this morning was but moderately supplied with country produce. Prices for vegetables were about the same as those prevailing last Saturday. Butter brought 25c per pound, eggs 25c per dozen, dressed chickens from 25 to 40c apiece, live at about the same price, but fresh pork at 12c per pound for fore quarters and 13c for hind. Butchers meat were unchanged in price and fish were also held at former prices. There was an abundance of flowers on exhibition.

KING STREET IMPROVEMENTS.—The preliminary work toward the repaving of King street from Fairfax to the river is progressing rapidly. The curb from Lee to Union streets has been set, most of the sewer pipes laid and the cobblestones are now being removed from the road way. The laying of the vitrified brick will commence early next week. The electric railway company has begun furnishing the improved rails which are to take the place of the old ones.

RESIGNED.—Mr. Clarence Winemiller, who, for several years past has been manager of the Virginia Rod and Gun Clubhouse, at Four-Mile Run, has resigned that position. Mr. S. C. McNeely, of Washington, will be his successor, and will resume the duties of the new position next week. Mr. Winemiller is to engage in business elsewhere.

NOVEMBER is the month of merchandising. The offerings laid before you by Schwarz, 518 King street, are the bargain advantages of the season. This store is the shoppers home, where every need can be supplied. It's the center of attraction for fall and winter. They are never ready to tell you of the many different stocks, complete with all the newness of the season.

TO COME UP MONDAY.—The case against Robert Hopkins, colored, charged with shooting W. L. Griffin about three weeks ago, will come up before the Mayor on Monday. Griffin is now well and able to be about. Hopkins is still in jail.

Chamberlain's Cough Remedy in Chicago. Higgen Bros., the popular South Side druggists, corner 69th street and Westworth avenue, say: "We sell a great deal of Chamberlain's Cough Remedy, and find that it gives the most satisfactory results, especially among children, for severe colds and croup." A meeting of the Young Men's Sodality Lyceum was held last night, and considerable business disposed of. Jane Henry has sold to Annie V. Kiebler a house and lot on the south side of Duke, between Patrick and Henry, for \$1,300.

The Episcopal High School football team met the Fairbrook Athletic Club of Baltimore, this evening on the High School gridiron.

Major Jesse B. K. Lee, commanding the Washington Light Infantry Corps, the First Battalion of the District National Guard, has forwarded his resignation to militia headquarters, to take effect upon November 30. Major Lee resigns because his duties as chief clerk of the gun factory at the navy yard are so heavy that he is unable to give his attention the time and attention it deserves.

In the Methodist Protestant Church tomorrow, the Sunday school will hold their autumnal reunion. The pastor will preach an appropriate sermon in the morning and at night the school will have their exercises.

Woodward & Lothrop. 10th, 11th and F Sts., N. W. HOLIDAY OPENING OF Toys, Dolls & Games. The Children are Cordially Invited. We Open our Holiday Toy Store.

This year with a collection of playthings surpassing in size, novelty, and originality anything of the kind hitherto attempted. We have gathered toys not only from the great toy people of France, Germany, and Austria, but every worthy sort that is made in America. And everything is new, bright, fresh and up to date. The stock has been most carefully selected from the best sources, and the cheap, throw-together, trashy sorts have been studiously avoided. Truly you will find nothing but what is strictly first class and desirable. And having purchased both our foreign and domestic goods direct from the manufacturers, and in very large quantities, we are enabled to sell them at as little as you are ordinarily asked for the poorer sorts.

Our assortment of games, blocks, and books is one of the most complete and comprehensive to be found anywhere. It comprises all the newest and latest games published, as well as the good old ones, and they are all conveniently arranged for easy selection. We also have in this department puzzles, dissected maps, drawing books, painting books, blocks of all kinds, including many novelties produced for this season.

We have done everything to make your shopping in this department convenient and pleasant, and have arranged and classified the various kinds of kindred toys in sections, which will facilitate to a marked degree your selecting and save you much time and annoyance.
